A warm welcome to the latest edition of our practice newsletter. It has been a busy year so far...

Book now for Halloween fun!

Our first Children's Day held in February was a great success and lots of fun was had by all!

We raised a total of £310.00 on the day for the Starfish ward at Watford General Hospital.

Due to the popularity we are again holding another Children's Day on Thursday 30th October, where there will be lots of tricks and treats for Halloween. Spaces are limited.

Please contact the surgery to book on 01923 662766.

The whole team at Garston Lodge are committed to an ongoing process of continuing professional development. We carry out regular training in CPR, decontamination and practice management, to name but a few.

In April, we updated all of our IT hardware and software, thereby ensuring we can continue with the high standard of service we aim to provide our patients.
